*Thank you for choosing to spend some time with us.
We hope you enjoy trying our range of fresh healthy food
and spoiling yourself with some home-made sweet treats.*

It's not all about the food though!

*Here at 'Remember When...' we believe that everyone should
feel welcome and comfortable to be themselves without
judgement, regardless of age, gender, race, culture,
background or disability.*

*We provide an ambiance,
surroundings and activities
to stimulate memories and
conversation, particularly
supporting those
experiencing dementia.*

*After gaining a distinction in her postgraduate study of the
biology, sociology and psychology of dementia and
psychosis, Ruth chose to leave her job to follow her dream.*

*Ruth was inspired by her Nan, Eileen, to normalise living
with, and caring for someone with dementia, by creating a
space where no-one is 'normal' and everyone is 'individual'.*

*Meanwhile, Brenda gets to share her home-baking with
friends of 'Remember When...'*

*We love to hear what you think, so please feel free to share
comments and suggestions.*

Our food and prices

We appreciate that sometimes you might be ready for a good fill up and sometimes you just might fancy something small.

Small doesn't have to mean boring though, so we serve all our food in large or small sizes.

The prices you see are for large/small

Specials

*Who said life has to stick to the menu?
If you fancy something that isn't on the menu
